A WORD FROM THE CEO

As we celebrate AED group's 40th anniversary in 2025, I want to take a moment to reflect on the incredible journey that began in 1985. Time truly flies, and looking back, I'm filled with immense pride for how far we've come and how much we've contributed to shaping the audiovisual industry over these four decades. None of this would have been possible without the trust and support of YOU, our valued customers, partners, and colleagues.

This milestone is as much yours as it is ours. To show our gratitude, we're thrilled to launch a special anniversary discount throughout 2025. Enjoy a 40% discount on our own brands and take advantage of our unique "Staffel 12" offer - rent our equipment for an entire year but only pay for 12 days of use*. It's our way of giving back to you, our loyal customers, and showing our commitment to helping your business grow even more in the years to come.

As we continue this journey, let's celebrate the past, present, and the exciting future we will build together. I encourage you to reach out to your account managers to explore how we can keep supporting your business and create even more success together.

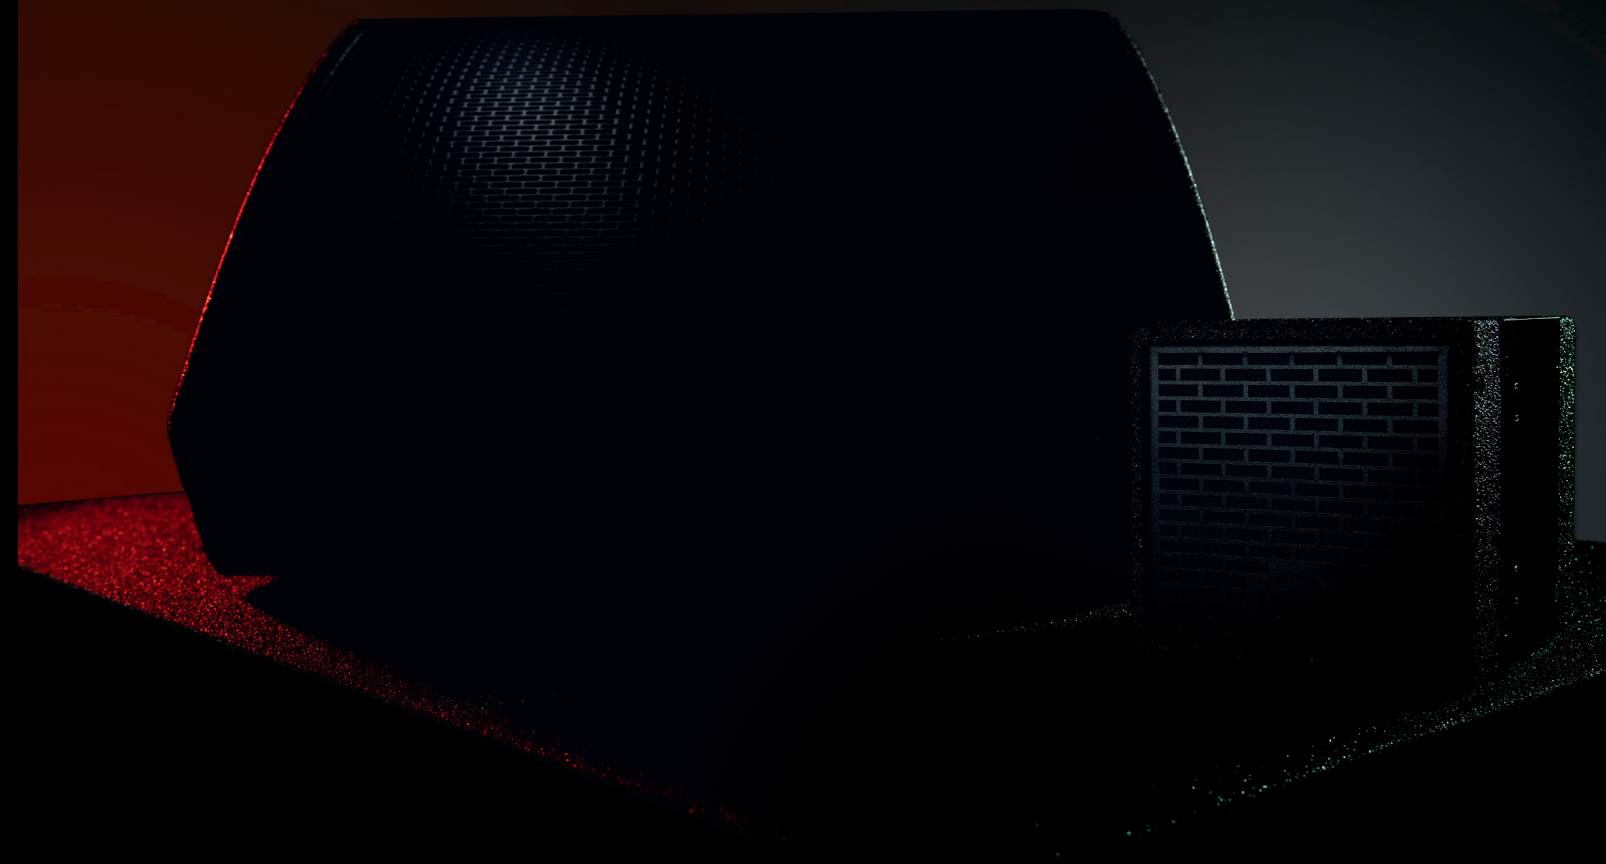

Thank you for being a part of AED's story. Here's to another 40 years of innovation, collaboration, and growth.

Here's to the memories we've shared and the incredible ones yet to come. Tonight, let's party like it's 1985!

Glenn Roggeman,
Founder & CEO of AED group

THE LEGACY CONTINUES

EXPECTED IN 2025
